

# **SOUTH CHESHIRE MILITAIRE**

## **COMPETITION CLASSES 2009**

### **Award system**

Outstanding models are awarded with Bronze, Silver or Gold awards. These will be awarded irrespective of how many others have already been awarded in that class. Conversely, this may also mean that a class may not receive any awards. This will enable SCMMC to award prizes based upon the merits of each model.

Each class will contain all entries within that category at any scale.

### **Classes**

1	Figures: Foot, mounted, flats and busts
2	Dioramas and vignettes
3	AFV including artillery pieces
4	Aircraft
5	Ships
6	Sci-Fi and fantasy
7	Miscellaneous – non military items
8	Juniors – under 16 years of age on day of competition
9	Motorised ships in main hall

### **BEST OF SHOW!**

#### **Please note:**

- No class will be judged if less than three competitors have entered. Competitors will be offered the opportunity of transferring their entry to another class.
- All models entered at competitor's own risk.
- Commercially pre-painted models will not be accepted as entries
